

# Bank Guaranty

Bank guaranty No.: .....

The Company .....  
.....  
.....  
.....

is in constant business relation with Amprion GmbH  
Robert-Schuman-Straße 7  
44263 Dortmund  
Germany

For the management of trading transactions and/or supply of end customers with electricity.

We, .....(Bank)..... hereby assume an absolute guaranty limited in time vis-à-vis Amprion GmbH for all existing and future claims, to which Amprion GmbH is entitled against .....(Company)..... from or in connection with the balancing agreement between Amprion GmbH and .....(Company)..... up to a maximum of

EUR .....

(say:.....)

including cost and interest.

We waive the defences of contestability and lack of prosecution according to the German Civil Code (BGB, Section 770 Para. 1 and Section 771). We also waive the defences of offsetability according to the German Civil Code (BGB, Section 770 Para. 2).

Recourse may only be taken against us for the payment of money.

Our obligation from this Guaranty shall cease upon return of this Guaranty to us. Amprion GmbH shall return this Guaranty at latest when Amprion GmbH no longer maintains a business relation with .....(Company)..... and after all contractual obligations from the existing business relation have been fulfilled. At the latest, our obligation from this Guarantee shall expire on *dd.mm.jjjj*.

This guaranty shall be subject to German law. The place of jurisdiction shall be Dortmund, Germany.
